

Radio Signal Modelers Flying Club
September 2006 Newsletter
September 11, 2006

The September 2006 meeting was called to order by President Mike Meitus at the Shiller Park Flying Field. Approximately 10 members were in attendance. In the absence of Secretary Ted Noncek, the minutes of the August 2006 meeting were presented by Mike, and were approved by the club as read.

Treasurer's Report

Treasurer Terry Gombert presented the Treasurer's report for August 2006. The club cash balance started the month at \$735.79. The club took in \$155 in membership dues and paid out \$143.87 for field maintenance supplies, and as a result the ending balance was \$746.97. The Treasurer's report was approved by the club as presented.

Club Hats and Shirts Available

The club logo hat and shirt purchase was discussed, as noted in the email to members. The club was very happy to receive a \$100 donation by our new member Vince Montana, who in appreciation for the many hours of help and assistance in learning to fly RC this summer, offered to offset the cost of the hats. Vince specifically thanked President Mike and Instructor Joe Kasky for their assistance.

Club Web Site Moved to New Site

The club website is now up and running at its new site. All members are encouraged to check out this improved web site at www.rsmrc.com. Special thanks to new member Mike Reinhart for all the hard work he has put into the site. This new web site is a great platform for the distribution of information to our members, and a place to share ideas, photos and movies. All members are encouraged to contribute to the site. This newsletter and past newsletters are also available there. Terry Gombert indicated that a new club roster would be posted to the site, which is password protected for members to view only.

Next Meeting To Be Held at Elmwood Park Fieldhouse – Monday October 2nd
